Dr. B.E. Parsons
Pastor & President

Thank you for your consideration of Landmark Baptist College. For over 40 years, Landmark has been training students for service in the Lord's work.

Landmark Baptist College is a local church based ministry. With that as the foundation, every student receives an up-front, hands-on ministry experience that enables them to begin serving the Lord now rather than waiting until they are "in the ministry."

Through the years, LBC has always been committed to our Baptist heritage, the inspiration and preservation of God's Word, evangelistic soul winning, and the fundamental Bible doctrines upon which the church was founded. Here at LBC, students receive training in all of these areas as well as in practical areas of the ministry. I invite you to come be a part of an exciting church and ministry that is truly **STEDFAST, UNMOVEABLE!**

In His service and yours,
Pastor Parsons

THE PERFECT PROGRAM FOR YOU!

Are you a pastor or full-time christian worker? Are you employed but have always wanted to attend Bible College? Would you like to earn a Bible College degree but can't leave your ministry or family?

The Directed Studies Program has been designed for the self-motivated student who desires to receive a Bible college education but isn't able to attend classes on campus at Landmark Baptist College. Although nothing can take the place of being in the classroom, LBC has developed the most efficient and practical distance learning program possible. The DS Program is for:

ACTIVELY EMPLOYED

MILITARY PERSONNEL

BUSY CHRISTIANS

BRINGING TRADITIONAL BIBLE COLLEGE COURSES TO YOU!

By the recording of actual classes, each student is taught by the same professors, with the same textbooks, and take the same exams as our on-campus students. Through the use of actual professors on video and in-field test proctors, your work earns college credits rather than correspondence credits. Degrees are conferred at Landmark Baptist College, Haines City, Florida.

Each Directed Studies course is taken one-at-a-time at the convenience of the student.

Our courses are sent to you on a USB flash drive, and are therefore not dependent upon internet availability.

Tests and quizzes are administered by an LBC-approved test proctor in the student's local church (pastor or appointed staff member).

Each student is given 4 months (undergraduate) or 6 months (graduate) to complete the class and course requirements.

FINISH YOUR BACHELORS

Have you already started on your Bachelors degree at another college or university and would like to complete it? The DS Program allows you to transfer credits from your previous college-level education and finish your degree with Landmark Baptist College. Even if you have never taken college courses, you can complete your degree from start to finish through the Directed Studies Program.

EARN A MASTERS OR DOCTORATE

Do you already have a Bachelors degree but would like to further your education? With the Directed Studies Program, you can earn your Masters or continue on to a Doctorate without leaving your church and the ministries you are involved in. We understand that most people working on a graduate degree are busy in the ministry. Most can't give up the time needed to attend Bible College. The Directed Studies Program offers a way to fulfill your responsibilities at your church and earn a graduate degree at the same time.
